CITY College, University of York Europe Campus

CITY College, University of York Europe Campus is part of the University of York community, one of the leading UK Universities in Europe. This European base is a unique international institution based in Greece but with satellite activities in 8 countries, and it is widely recognized throughout the region for its academic excellence. Throughout its 30 year history, CITY College has continued to connect the UK with the whole region, Europe, and the world.

CITY College Europe Campus consists of four academic departments - the Business Administration & Economics Department, the Psychology Department, the Computer Science Department and the English Studies Department - offerings a wide range of undergraduate and postgraduate programmes, and two research centres, the South-East European Research Centre and the Neuroscience Research Centre. CITY College also offers, jointly with the Faculty of Economics and Management of the University of Strasbourg, the Pan-European Executive MBA, a dual degree programme delivered across South East & Eastern Europe, as well as the Caucasus region.

PAR University College

is a private university college situated in the city of Rijeka. It is accredited by the Ministry of Science and Education. PAR UC currently offers bachelor and master degrees in Business Management and Gastronomy & Catering Management. The uniqueness of our study programmes lies in an equal ratio of theory and practice throughout the study. With strong links to business and industry, we provide students with valuable skills and knowledge that are required by employers in the current globalized marketplace. In addition, our International Office facilitates the possibilities for students, teachers and administrative staff to participate in various mobility schemes that aim to provide an international dimension to their study or work experience. PAR University College has been a signatory to the Erasmus + Charter for Higher Education (ECHE) since 2014, thus becoming an active member of the Erasmus + programme through which it implements the following activities: KA 1, KA2, KA3 and Sport.
